

NAVIGAATTORI

Navigaattori helps you find a job in the most efficient way possible. You will get the support, advice and assistance on your journey towards your goals, whether that is a job, education or entrepreneurship.

Job hunting today takes time, so the faster you are on your path, the faster you will be employed. New jobs open up every day, but in order for you to get those jobs you will need the right tools for employment searching.

With the use of Navigaattori, you will receive personal assistance and the skills that are needed to tackle the difficulty of finding a job or an education. Together we will pave the right path for you. We will meet you personally either face to face, or remotely via video call if you wish.
